

The *Lift Buddy* can easily lift all of these items:

## The Ultimate Solution in easy Furniture Lifting.

- The Lift Buddy allows you to lift the furniture with one hand, leaving the other hand free to place the skidders, blocks or tabs under the legs.
- The Lift Buddy is easy on your back.
- The Lift Buddy makes you a professional among professionals, by showing that you take care of your health.
- The Lift Buddy protects you from costly medical expenses and time off the job due to injuries.
- The Lift Buddy saves on your workers compensation by protecting your employees.
- The Lift Buddy is built to last and can lift those heavy objects for you.
- The Lift Buddy is a one man or woman tool. It is light weight yet heavy duty.
- The Lift Buddy is great for rearranging furniture and is an excellent tool for flood work.
